

XEROX® VERSALINK® C7000 COLOR PRINTER

When you need your work to stand out from the rest, count on the VersaLink C7000 Color Printer—featuring Xerox® ConnectKey® Technology. Ready for the way you want to work, the C7000 is mobile-ready, app-enabled and ready to customize. Meet your challenges head-on with the VersaLink C7000—your modern workplace assistant.

FLAWLESS RELIABILITY. SUPERIOR PERFORMANCE.

Right out of the box, you'll count on your Xerox® VersaLink C7000 Color Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

Designed for superior reliability, the VersaLink C7000 Color Printer features a new hardware design with fewer moving parts, strengthened paper-path components, and advanced imaging system.

VersaLink devices are loaded with features and time-saving Xerox® technologies designed to speed up information sharing and reduce inefficient workflows.

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy that enhances business communications—even on oversize media.

CLOUD CONNECTED. PERSONALIZED EFFICIENCY.

With the customizable capacitive 5-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to manage jobs and commonly used apps on a personalized home screen.

Whether your documents are color or black-and-white, letter-size or oversize, the VersaLink C7000 Color Printer has the power and features you need to handle even the most challenging print jobs.

MOBILE FREEDOM. READY FOR THE WAY YOU WORK.

The VersaLink C7000 Color Printer gives you the freedom to work where and how you want—easily add connectivity to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING MOBILE DEVICE-LIKE TOUCHSCREEN SUPERIORITY.

Meet our all-new, 5-inch color touchscreen—the user interface that sets a higher standard for customization, personalization and versatility.

By presenting a familiar “mobile” experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® C7000 Color Printer get more work done, faster.
